Beneficiary Designation (Optional)

You must select your beneficiary – the person (or more than one person) or legal entity (or more than one entity) who receives a benefit payment if you die while covered by the plans. Please make sure that you also name a contingent beneficiary – who would receive your benefit if your primary beneficiary dies first.

Please make sure your beneficiary designation is clear so that there will be no question as to your meaning. If you name more than one primary or contingent beneficiary, show the percentage of your benefit to be paid to each beneficiary. Please provide **all** of the information requested below. If your beneficiary is not related either by blood or by marriage, insert the words, “Not Related” as their stated relationship. If you need assistance, contact your benefits administrator or your own legal advisor.

This beneficiary designation will be for ALL group life or accidental death insurance coverage issued by The Hartford for you. A primary beneficiary is the beneficiary or beneficiaries that you name to receive the benefits if they are living at the time of your death. The primary beneficiaries are the first in line to receive death benefits. Contingent beneficiaries, or secondary beneficiaries, are those named to receive the insurance proceeds if no primary beneficiary is alive at the time you die.

Consent For Community Property States Only: If you live in a community property state – **Alaska, Arizona, California, Idaho, Louisiana, Nevada, New Mexico, Puerto Rico, Texas, Washington, and Wisconsin** – you may complete the Spousal Consent section, which allows your spouse to waive his or her rights to any community property interest in the benefit.

Disclaimer: Spousal consent does not apply to ERISA plans. Certain tribal jurisdictions may also require spousal consent. Please see your Benefits Administrator for details.

This will represent that, as spouse of the employee named above, I hereby consent to my spouse designating the person(s) listed above as beneficiaries of group life or accidental death insurance under the above policy and waive any rights I may have to the proceeds of such insurance under applicable community property laws.
